Community time is required of all gardeners: Ten (10) hours for a 20' x 20' plot and five (5) hours for a 10' x 20' plot. Please check off the work that you want to do for your community time. Please check any of the following tasks where you are willing to volunteer. The coordinator for the task(s) you are interested in will contact you. If you do not complete your community time prior to the end of December of each gardening season, it is very possible that you will not be asked to return to the garden the next year. If there are any extenuating circumstances that prevent you from doing this, please contact the Garden Coordinator. ***Thank you for your cooperation – community time is what keeps the garden running!***

Returning Gardeners: Get started on your community hours before you start planting.
